GETTING STARTED (All devices)

In the email that you received there is a link to your account.

- You need to click on the link and set up a password that you remember.

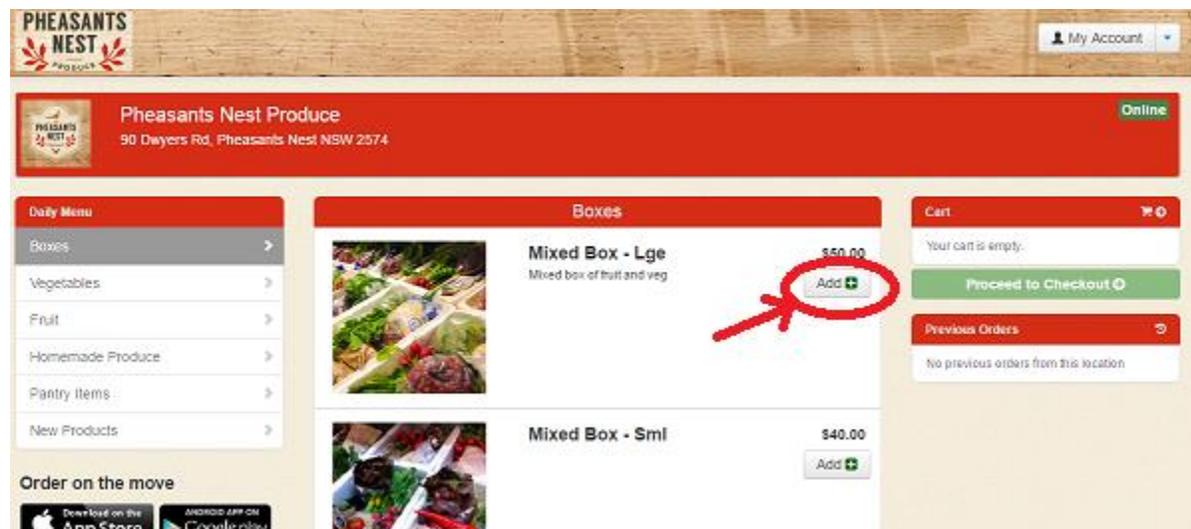

The screenshot shows a 'New Password' form on a light beige background. At the top, the title 'New Password' is displayed. Below it, a light blue box contains the text: 'Create a new password to protect your account (pnproduce@gmail.com). Passwords are required to be at least 6 characters in length.' There are two white input fields: the first is labeled 'New password' and the second is labeled 'Retype password'. At the bottom of the form is a green button with the text 'Set Password'.

Once that you have done that, you will be prompted to login. Once you have logged in you are ready to start ordering. We have preset your delivery address and contact information but ask that you check this when you go to check out.

The screenshot shows the Pheasants Nest online ordering system interface. At the top left is the 'PHEASANTS NEST Produce' logo. To the right is a 'My Account' dropdown menu. Below the logo is a red banner with the text 'Pheasants Nest Produce' and '90 Dayers Rd, Pheasants Nest NSW 2574'. On the right side of the banner is an 'Online' status indicator. The main content area is divided into three columns.
